

North Dakota Department of Public Instruction
Child and Adult Care Food Program
Elementary School
Area Eligibility Information

2010

The following schools meet the elementary school area eligibility requirements based on 50% of the enrolled children being eligible for free or reduced price meals. Eligible one plant school districts are listed by district. All providers within the boundaries of these districts are Tier I eligible. Eligible elementary schools within a multiple plant district are listed individually. Providers within the boundaries of the elementary school listed are Tier I eligible.
