

North Dakota Department of Public Instruction
Summer Food Service and After School Snack Programs
Area Eligibility Information

2010

The following schools meet the school area eligibility requirements based on 50% of the enrolled children being eligible for free or reduced price meals. Eligible one plant school districts are listed by district. Schools within a multiple plant district are listed individually. Schools that meet area eligibility requirements are eligible to participate in the USDA At-Risk After School Snack Program and the Summer Food Service Program.
