Section 38. Alternative Middle School - Grants of Senate Bill 2150 of the 2011 session laws, states:

- 1) During the second year of the 2011-13 biennium, the superintendent of public instruction shall expend up to \$300,000 from the grants - other grants line item in the appropriation bill for the superintendent of public instruction, as approved by the sixty-second legislative assembly, for the purpose of providing a grant to any school district that offers an alternative education program for students enrolled in grades six through eight.
- 2) In order to determine the amount that a school district may receive under this section, the superintendent of public instruction shall multiply by a factor of .15 the number of students in grades six through eight who are enrolled in an alternative education program for at least fifteen hours per week.
- 3) If the expenditure authorized in this section is insufficient for providing grants to all eligible school districts, the superintendent of public instruction shall prorate the grants based on the percentage of the total to which each school district is entitled.
