

# **QUESTIONS FOR CONSIDERATION**

## *Mid Continent Regional Advisory Committee for Educational Needs Assessment*

### *Public Meetings*

Tuesday, Jan. 4, 2:00pm – 4:00pm CST

Thursday, Feb. 10, 2:00pm – 4:00pm CST

Thursday, March 10, 2:00pm – 4:00pm CST

1. What are the challenges and needs for assistance as schools, districts, and states strive to improve student achievement and implement the requirements of No Child Left Behind (NCLB)?
2. Are there challenges and needs that are unique to individual regions – needs that the United States Department of Education ought to give special consideration to?
3. How can/should these needs be addressed by technical assistance? What kind of help is needed to address the needs and challenges?
