- × **Title I and Special Education Conference Call Trainings**  
To further expand the number of opportunities available to school personnel to receive training on key Title I and Special Education issues, the state Title I and Special Education offices would like to offer a series of conference call trainings.

The Special Education and Title I offices will begin offering a series of conference call trainings as an additional venue for North Dakota education personnel to access professional development and technical assistance on issues related to both federal programs.

Be on the lookout for an email announcing the date of our first conference call training and instructions for registering.
