Dr. Wayne G. Sanstead  
State Superintendent

**MEMO TO:** School District Administrators/Business Managers

**FROM:** Stephanie Gullickson, Assistant Director, Fiscal Management  
Laurie Matzke, Director, Title I

**DATE:** January 27, 2010

**RE:** School Level Expenditure Report

In December 2009, district/school personnel received correspondence informing you that the American Recovery and Reinvestment Act (ARRA) requires each school district receiving Title I, Part A ARRA funds to report a school-by-school listing of per-pupil educational expenditures from state and local funds for the 2008-09 school year to its state educational agency (SEA). The purpose of this memo is to share with you clarification that we received from the U.S. Department of Education (USDE) regarding this report.

The USDE sent us a spreadsheet of all the schools in North Dakota that must submit this report. We informed them that many of our small, rural districts are considered one plant and submit one combined district financial report to the state department and questioned whether we could use our district list for these situations. Unfortunately, they denied our request and stated that the report must be completed separately for each USDE identified school. Attached to this email is the list of schools provided by the USDE that must complete this report.

Due to the fact that many districts will need to revise their school level expenditure reports, we have extended the deadline to submit this report to the North Dakota Department of Public Instruction to February 12, 2010.

Please note the following reminders as you complete your report:

- For small, rural districts with one plant number, you can use the same number on both the elementary and secondary reports. However, please make sure the school building name (elementary/secondary) is listed on each report.
- The number we need to report for line 8, Student Enrollment, is the 2008 fall enrollment. In the attached spreadsheet, we have listed this information so you can ensure you are using the correct number.
- For clarification, you do include substitute teacher salaries in lines 5, 5A, and 5B.
- It is not acceptable to leave line 6 blank or put zero. All school buildings will have spent state and local funds for non-personnel expenditures (i.e., supplies, books, computers, etc.).
- It is not acceptable to leave any box blank, as this appears as though it was not addressed.

The template, checklist, instructions, and this memo can be accessed on the department's website at [www.dpi.state.nd.us/title1/Legislative/index.shtm](http://www.dpi.state.nd.us/title1/Legislative/index.shtm). As with the quarterly reports, districts must submit the school-by-school expenditure report electronically to your Title I contact person.

If you have any questions on the quarterly reporting process, please consult with your Title I contact person, Stephanie Gullickson at [sgullickson@nd.gov](mailto:sgullickson@nd.gov) or 701-328-2176, or Laurie Matzke at [lmatzke@nd.gov](mailto:lmatzke@nd.gov) or 701-328-2284.
