2009 Title I/Special Education Veteran Teachers

Our state's Title I and Special Education teachers do a wonderful job during the school year putting in an extended effort and long hours. Many of these teachers have been Title I or Special Education teachers for quite a number of years and deserve to be recognized. We proudly honored our veteran teachers in October at our 2009 Title I/Special Education Fall Conference.

We honored 14 Title I teachers

We honored 56 Special Education teachers
