## 2010 Title I/Special Education Veteran Teachers

---

Our state's Title I and Special Education teachers do a wonderful job during the school year putting in an extended effort and long hours. Many of these teachers have been Title I or Special Education teachers for quite a number of years and deserve to be recognized. We proudly honored our veteran teachers in October at our 2010 Title I, Special Education, 21<sup>st</sup> CCLC Fall Conference.

We honored 13 Special Education teachers in attendance at the conference. A total of 90 Veteran Special Education teachers received a certificate and a pin.

We honored 6 Title I teachers in attendance at the conference. A total of 7 Veteran Title I teachers received a certificate and a pin.
