

North Dakota Department of Public Instruction
Dr. Wayne G. Sanstead, State Superintendent
600 E. Boulevard Avenue, Dept. 201
Bismarck, ND 58505-0440

Summary of Changes Final Title I Regulations

- **Timely and Clear Notification to Parents**
 - Requires districts to provide timely and clear notification to parents regarding their AYP results

- **Access to Information on District Implementation of Public School Choice and Supplemental Services**
 - Requires districts to provide information on school choice and supplemental services on their district's website

- **State Monitoring of District's Implementation of Supplemental Services**
 - Requires the state department to publicly report on the procedures used to monitor districts on their implementation of the SES requirements

- **Supplemental Services Provider Approval Process**
 - Requires the state department to consider research-based evidence in selecting supplemental services providers for the state approved list of SES providers

- **State Monitoring of Supplemental Services Provider Effectiveness**
 - Requires the state department to review specific criteria as part of the state monitoring of supplemental services providers to determine their effectiveness

- **Cost of Parent Outreach**
 - Allows the costs of providing outreach and assistance to parents on school choice and supplemental services as part of the 20% obligation for supplemental services

- **Set Aside for Public School Choice and Supplemental Services**
 - Requires that additional requirements be met before districts can reallocate their school choice and supplemental services set-asides for other purposes
