- Make arrangements for school choice (if applicable). **Summer 2012**
- Make arrangements for supplemental educational services (if applicable). **Summer 2012**
- Submit AYP letter to state Title I office for review and approval. **August 1, 2012**
- Ensure that the district prominently displays on its website required information on school choice and supplemental educational services. **August 1, 2012**
- Submit Consolidated Application for all Federal Title Programs. **Final Due Date August 31, 2012**
  - ✓ Set aside funds for school choice/supplemental services (if applicable)
  - ✓ Complete information on 10% set aside for professional development (if applicable)
  - ✓ Complete information on corrective action/alternate governance (if applicable)
- Submit Plan for Alternative Governance (if applicable). **November 2, 2012**
- Program improvement schools that are participating in the NDMILE must meet requirements outlined in timeline during the 2012-2013 school year. **Ongoing**
- Keep accurate documentation of additional program improvement fund expenditures during the 2012-2013 school year. This is needed when you submit the request for funds and follow-up report pertaining to additional program improvement funds. **Ongoing**
- After your school has issued the required notices for parents to participate in school choice or supplemental services, review the funds that are set aside for these requirements. In order to avoid excess carryover, you must reallocate unused set aside funds to another activity by submitting a budget revision on the STARS. **Ongoing**
