

The Schoolwide Planning Process

Step 1-- Create a Schoolwide Planning Team

Step 2-- Conduct a Comprehensive Needs Assessment

Step 3-- Identify Schoolwide Goals

Step 4-- Focus Schoolwide Goals and Identify Solutions

Step 5-- Write the Schoolwide Plan

Step 6-- Review and modify the Schoolwide Plan

Step 7-- Implement the Schoolwide Plan

Step 8-- Evaluate the Schoolwide Plan

Steps 6 through 8 should be continuous, with the school rewriting and modifying the plan as it learns more about how to achieve academic success for their students and as various goals are met.
